- A current ID issued by the State of Georgia after January 1, 2008.

See list of compliant states at http://law.ga.gov/vgn/images/portal/cit_1210/50/35/173461453Lists_of_states_that_verify_immigration_status_7_26_11.pdf

- An approved completed FAFSA for the current financial aid year.
- A current, valid Permanent Resident Card (USCIS form 1-151 or 1-551).

Any student who cannot be verified as lawfully present in the United States is not eligible to be considered for in-state tuition, regardless of how long he or she has lived in Georgia. In addition to being lawfully present in the United States, students must meet the in-state tuition requirements as outlined in TCSG Board Policy and Procedure V.B.3 to warrant an in-state classification. Students that are initially classified as out-of-state, and successfully petition to have their residency changed to in-state also have to meet the verification requirement.

CGTC Procedures:

The State of GA will only allow students with Lawfully Presence in the United State the opportunity for in state tuition. Additionally the Student must meet the State of Residency requirements for in state tuition.

In state tuition is a privilege not a right.
