CENTRAL GEORGIA TECHNICAL COLLEGE

Petition of Support

All new organizations requesting to register with the SGA must receive the support of at least seven (7) currently enrolled Central Georgia Technical College students. All organizations exist to serve students; therefore this petition of support is an important part of the registration process.

Return this petition attached to the **APPLICATION FOR SGA ORGANIZATION FORM** to the Career Services Office.

Name of Proposed Organization: _____

Organizational Affiliation (if applicable): _____

Purpose of Organization: _____

Organization Leader Advisor: _____

By signing below, I attest that I am a currently enrolled student at Central Georgia Technical College, and that I understand the purpose of the proposed organization and support the creation of this organization for that purpose. I also understand that all recognized organizations may receive funding through the Student Government Association; therefore by signing below I acknowledge my support for this organization to request funds which are provided by the student activity fee that I pay.
